

## 2023 LITURGICAL ORDO FOR THE EXTRAORDINARY FORM OF THE ROMAN RITE

The Extraordinary Form Liturgical Ordo on the following pages is based on the 1962 *Missale Romanum* and the General Roman Calendar of 1960. Therefore, saints who were canonized after the publication of these documents are not included in the Ordo. It does reflect the optional revision to the 1960 Calendar by the document *Cum Sanctissima* which (among other things not included) allows for the celebration of class 3 Masses for specified saints during the season of Lent.

A note regarding the General Calendar of 1960: Some masses were "deleted" from the Universal Calendar but then relocated to a supplement named *Pro Aliquibus Locis* (For Certain Places). Consequently, you may see the "Finding of the Holy Cross" on May 3rd, even though it was "deleted" from the Universal Calendar. In practice, these may be said on any class 4 feria day.

Commemorations are shown in the Ordo in two forms: Those in UPPERCASE are "privileged" – meaning they are required at both High and Low Masses – and those in Mixed Case are "ordinary" – meaning they are made only in Low Masses.

The Masses for the Rogation Days (M, T, & W) before the Ascension are listed as class 2 feasts because, on the site, they contain the pre-Mass procession content. As such, these Masses then begin with the Introit (rather than the Prayers at the Foot). If no procession is held, the Mass of Rogation begins with the Prayers at the Foot (rather than the Introit) and this is then a 4th class feast.

Please direct any corrections or comments you may have to [help@extraordinaryform.org](mailto:help@extraordinaryform.org) and thank you in advance for doing so.
